

Early Childhood Education and Care Job Ready Program

Do you love working with children? Are you passionate about making a difference in the formative years of a child's life, through education?

Get job ready – Apply now!

Turn your love of working with children into an exciting, fun and rewarding career in early childhood education and care.

Complete an expression of interest form

This program is uniquely designed to provide you with entry level skills and knowledge that will get you job ready for a career in the early childhood education and care sector.

This program is FREE* for concession-eligible students and people aged 15–24 years

To get started, complete the expression of interest form via the QR code below, or at jobsandskills.wa.gov.au/pathways

Complete a short course training program

During the program, you will learn how to:

- work with children to connect with the natural environment;
- work effectively in children's education and care;
- support inclusion and diversity; and
- participate in workplace health and safety.

Attend a work placement for hands on experience

The program includes an industry work placement, which will give you the opportunity to:

- gain real life experience working with children; and
- undertake practical workplace tasks as part of your training.

Start your future career working with children!

By completing the *Early Childhood Education and Care Job Ready* program, you may:

- go on to earn as you learn by undertaking a *Certificate III in Early Childhood Education and Care* traineeship; or
- become qualified through further full or part time study with a TAFE or approved training provider.
