

Driller's Offsider Job Ready Program

**Do you want a career that offers great rewards?
Want to be part of WA's exciting resources and mining sector?
Get job ready – apply now!**

If you love working outdoors in a hands on job where every day can be a different adventure, this is for you!

With WA's resources and mining sectors busier than ever, and an increase in the demand for skilled workers, the *Driller's Offsider Job Ready Program* is your pathway to exciting career opportunities.

This program is FREE* for jobseekers, youth (under 25) and concession students.

One-day induction

You will attend a one day induction program, to familiarise yourself with the duties of a driller's offsider and the requirements to succeed in the role.

Two weeks of training

You'll gain job ready skills, including how to:

- apply first aid and CPR;
- work safely at heights; and
- operate and maintain a four-wheel drive vehicle.

The training will provide you with entry level skills to safely work on site, and can lead to employment opportunities in drilling.

Employment and traineeship opportunities

By completing the *Driller's Offsider Job Ready Program*, you may be connected with an employer to commence employment or start a traineeship in drilling operations.

Don't miss out on this new program!
